

## Intermediate Fly Tying

**Study Leader: Scott Biron**  
**Wednesdays, 5:00 - 7:00 p.m.**  
**4 weeks beginning February 12**  
**AIL Classroom, Lethbridge Lodge, Colby-Sawyer College**  
**Maximum number of participants: 10**

This four-session fly tying class will take participants through tying local patterns. We will focus on both wet/nymph and dry/caddis style patterns. This is not a beginner class – participants need to have enough experience to tie independently and keep up with the instructor’s pace. Anyone concerned with their skill level is encouraged to contact the instructor to discuss this. Each fly will build on the tyers’ skills and increase their techniques and ability to tie flies outside of class.

Materials, tools and vise will all be supplied by the instructor, but students may bring their own vise, tools and thread if desired. A \$15 materials fee per student is included in the course registration fee.
