Community Enrichment Program at Woodcrest Village!

**Wednesday, September 27, 2023 • 2:00 p.m. • Woodcrest Community Room**

This presentation will look at the women who lived at The Fells as individuals and will put them into the larger historical context of the changing roles of women from 1848 to contemporary times. The presenter is Liz Tentarelli, a docent at The Fells since 2006 and long-time student of women's history. Her talk will use historic photos and quotes from letters and diaries to make the several generations of Hay women come to life.

Extra parking for this event is made available by our good neighbor, The New London Inn.
