Road salt keeps winter roads safe—but where does it go after the snow melts? Join us to learn about how road salt affects our lakes, streams, and other freshwater resources, and discover what researchers are learning about how those impacts may change as our climate warms.

Wednesday, October 7
Doors open at 5 PM
Presentation begins at 6 PM
Galligan's Pub

As always, pre-registration is necessary.

Participation in Science Pub requires an active AIL Membership.
