

A Barnie's Journey

Please join us for a conversation with Education Director Sage Tokach and Executive Artistic Director Keith Coughlin of the New London Barn Playhouse. They will provide a behind-the-scenes look at the season selection and audition processes, as well as share stories about the journeys of Barnies from past seasons.

This program is co-sponsored by Adventures in Learning (AIL) and the New London Barn Playhouse (NLBP).

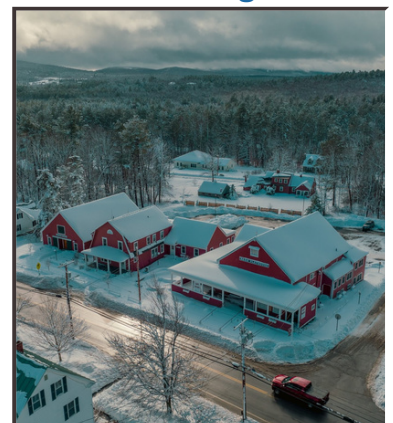

In addition to the main program, information will be provided about AIL and NLBP.
